

Fill in the gaps

Hello, is there anybody out there?	I know you can do it, come on
I'm alone, hanging by a thread	Take me on
Everywhere around the world	Save me, save me
Everybody's waiting for someday	Save me, save me
Calling out around the world	Hello, is there anybody out there?
Maybe someday might be tonight	Calling out around the world
Hook me up	Maybe (9) might be tonight
I'm (1) out for you, (2) on	Hook me up
Hook me up	I'm reaching out for you, come on
I (3) you can do it, come on	Hook me up
Take me on	I know you can do it, come on
Are you there?	Take me on
Tell me (4) you're feeling	Hook me up
All your fears and all (5) (6)	I'm hanging on the line, (10) on
dreams	Hook me up
Everyone around the world	Make me come alive, come on
Is feeling just the same way (7) we are	Take me on
Reaching out around the world	Save me, save me
Will someone somewhere throw me a line?	Save me, save
Hook me up	
I'm reaching out for you, (8) on
