

And then you missed me

Fill in the gaps

Now that's she's back in the atmosphere	While you were looking for yourself out there
With drops of Jupiter in her hair (hey)	Can you imagine no love, pride, deep-fried chicken
She acts like (1) and (2) like	Your best friend always sticking up for you
rain	Even when I know you're wrong
Reminds me that there's time to change (hey)	Can you imagine no (6) dance, freeze-drie
Since the return from her stay on the moon	romance
She listens (3) spring and she talks like June	Five-hour phone conversation
(Hey hey)	The (7) soy latte that you ever had, and me?
But tell me, did you sail (4) the sun?	But tell me, did the wind sweep you off your feet?
Did you make it to the Milky Way	Did you finally get the chance
To see the lights all faded	To dance along the light of day
And (5) heaven is overrated?	And head (8) toward the Milky Way?
Tell me, did you fall for a shooting star?	But tell me, did you sail across the sun?
One without a permanent scar	Did you (9) it to the Milky Way
And then you missed me	To see the lights all faded
While you were looking for yourself out there?	And that heaven is overrated?
Now that she's back from the soul vacation	And tell me, did you fall for a shooting star?
Tracing her way through the constellation (hey)	One without a permanent scar
She checks out Mozart while she does Tae-Bo	And then you missed me
Reminds me that there's room to grow (hey)	While you (10) looking for yourself?
Now that she's back in the atmosphere	(Na na na)
I'm afraid that she might think of me as	And did you finally get the chance
Plain ol' Jane told a story about a man	To dance along the light of day?
Who was too afraid to fly so he never did land	(Na na na)
But tell me, did the wind sweep you off your feet?	And did you fall for a shooting star?
Did you finally get the chance	Fall for a shooting star?
To dance along the light of day	(Na na na)
And head back to the Milky Way?	And now you're lonely looking for yourself out there
And tell me, did Venus blow your mind?	
Was it everything you wanted to find?
