

Fill in the gaps

Now that's she's back in the atmosphere
With (1) of Jupiter in her hair (hey)
She (2) like summer and walks (3) rain
Reminds me that there's time to change (hey)
Since the return (4) her stay on the moon
She listens like spring and she talks like June
(Hey hey)
But tell me, did you sail across the sun?
Did you make it to the Milky Way
To see the lights all faded
And that (5) is overrated?
Tell me, did you fall for a shooting star?
One without a permanent scar
And (6) you missed me
While you were looking for yourself out there?
Now (7) she's back (8) the soul
vacation
Tracing her way through the
(9) (hey)
She checks out Mozart while she does Tae-Bo
Reminds me that there's room to grow (hey)
Now that she's (10) in the atmosphere
I'm (11) that she (12) think of
me as
Plain ol' Jane (13) a story about a man
Who was too afraid to fly so he never did land
But tell me, did the wind sweep you off your feet?
Did you finally get the chance
To dance along the light of day
And (14) back to the (15) Way?
And tell me, did Venus blow your mind?
Was it (16) you (17)
to find?
And then you missed me

While you were looking for yourself out there	
Can you imagine no love, pride, deep-fried chicken	
Your best friend always sticking up for you	
Even when I (18) you're wrong	
Can you imagine no first dance, freeze-dried romance	
Five-hour phone conversation	
The best soy latte that you (19) had, and me	?
But tell me, did the wind sweep you off (20)	feet?
Did you finally get the chance	
To dance along the (21) of day	
And head back (22) the (23)	
Way?	
But tell me, did you (24) across the sun?	
Did you make it to the Milky Way	
To see the lights all faded	
And that heaven is overrated?	
And tell me, did you (25) for a shooting star?	?
One without a permanent scar	
And then you missed me	
While you were looking for yourself?	
(Na na na)	
And did you finally get the chance	
To dance along the light of day?	
(Na na na)	
And did you fall for a shooting star?	
Fall for a shooting star?	
(Na na na)	
And now you're lonely looking for yourself out there
