

And then you missed me

## Fill in the gaps

Now that's she's back in the atmosphere		While you were looking for yourself out there
With drops of Jupiter in her hair (hey)		Can you imagine no love, pride, deep-fried chicken
She acts (1)	summer and walks like rain	Your best (6) always sticking up for your
Reminds me that there's time to change (hey)		Even when I know you're wrong
Since the return from her stay on the moon		Can you imagine no first dance, freeze-dried romance
She (2)	like spring and she talks like June	Five-hour phone conversation
(Hey hey)		The best soy latte that you ever had, and me?
But tell me, did you sail across the sun?		But tell me, did the wind sweep you off your feet?
Did you make it to the Milky Way		Did you finally get the chance
To see the lights all faded		To dance along the light of day
And that heaven is overrated?		And head back toward the Milky Way?
Tell me, did you fall for a shooting star?		But tell me, did you sail across the sun?
One without a permanent scar		Did you make it to the Milky Way
And then you missed me		To see the lights all faded
While you were looking for yourself out there?		And that heaven is overrated?
Now that she's back from the soul vacation		And tell me, did you fall for a shooting star?
Tracing her way thro	ugh the constellation (hey)	One (7) a permanent scar
She checks out Mozart while she does Tae-Bo		And then you missed me
Reminds me that the	ere's room to (3) (hey)	While you (8) looking for yourself?
Now that she's back in the atmosphere		(Na na na)
I'm afraid that she might think of me as		And did you finally get the chance
Plain ol' Jane told a story about a man		To dance along the light of day?
Who was too (4) to fly so he (5)		(Na na na)
did land		And did you (9) for a shooting star?
But tell me, did the w	rind sweep you off your feet?	Fall for a (10) star?
Did you finally get the chance		(Na na na)
To dance along the light of day		And now you're lonely looking for yourself out there
And head back to the	e Milky Way?	
And tell me, did Vene	us blow your mind?	
Was it everything you	u wanted to find?
