

The cycle repeated

Fill in the gaps

As (1)	broke in the sky
All that I needed	
Was the one thing I couldn't find	
And you were there at the turn	
Waiting to let me know	
We're building it up	
To break it back down	
We're building it up	
To (2) it down	
We can't wait	
To burn it to the ground	
The colors conflicted	
As the flames climbed into the cl	ouds
I wanted to fix this	
But couldn't (3) from	tearing it down
And you were there at the turn	
Caught in the burning glow	
And I was there at the turn	
Waiting to let you know	
We're building it up	
To break it (4) down	
We're building it up	
To (5) it down	
We can't wait	
To burn it to the ground	
You told me yes	

You held me high	
And I (6) when you told that lie	
I played soldier, you played king	
And struck me down when I kissed that ring	
You lost (7) right to hold that crown	
I built you up but you let me down	
So when you fall, I'll take my turn	
And fan the (8) as your blazes burn	
And you were (9) at the turn	
Waiting to let me know	
We're building it up	
To break it back down	
We're building it up	
To burn it down	
We can't wait	
To burn it to the ground	
When you fall, I'll take my turn	
And fan the flames as your blazes burn	
We can't wait	
To burn it to the ground	
When you fall, I'll take my turn	
And fan the flames as your blazes burn	
We can't wait	
To burn it to the ground
