

Speedin' through your whole life

## Fill in the gaps

You sing a song				When things look low	
While sittin' at a red light				You've gotta keep strong	
You think of home				Feet to the grass	
While sittin' at a red light				You've gotta walk it off	
Too slow to roll				The bows (6) tied	
Put your (1) on hold				Too tight to laugh	
An open path				Feet to the ground	
With nowhere to go				You've gotta walk it off	
You (2) to wonder			You can run a red light		
While sittin' at a red light				You can run a red light	
You can run a red light				Start to think	
Give up at a red light				Am I (7)	too much
You break the mold				Should I keep going	
When runnin' through the tolls				Lose the life that I love	
Speeding through your whole life				(Oh)	
A chance to breathe				You can run a red light	
While sittin' at a red light				Give up at a red light	
You look around				You (8) the mold	
Reflectin' on your life				When runnin' through the tolls	
A chance to think				Speedin' through your (9) life	
Am I drinkin' too much				You can run a red light	
Should I (3) goin'				Give up on your whole life	
Lose the life that I love				You break the mold	
A second glance			When runnin' through the tolls		
When comin' to a red light				Speedin' through your whole life	
You can run a red light			(Oh)		
Give up at a red light			You can run a red light		
You break the mold			(Oh oh oh)		
When runnin' through the tolls			(Yeah)		
Speedin' (4)	your (5)		life	You can run a red light	
You can run a red light					
Give up on your whole life			You sing a song		
You break the mold				While sitting at a red light	
When runnin' through the tolls
