Warn you once to (1)\_\_\_\_\_ away  
Here it's December, everyday  
Press (2)\_\_\_\_\_ lips to the sculptures  
And (3)\_\_\_\_\_ you'll stay (love like winter...)  
Fire, sugar, and ice  
I am made, I am made  
It's in the blood, it's in the blood  
I met my love, before I was born  
He wanted love, I taste the blood  
He bit my lip, and drank my warmth  
From years before  
From years before  
She (4)\_\_\_\_\_ the (5)\_\_\_\_\_ lace  
I barely dreamt her, yesterday (yesterday...)  
With the lines in the mirror  
Through the lipstick trace...  
She said "It seems you're somewhere, far away..."
