

## Fill in the gaps

### Love Like Winter by AFI

Warn you once to turn away  
Here it's December, everyday  
Press your lips to the sculptures  
And surely you'll stay (love like winter...)  
Fire, sugar, and ice  
I am made, I am made  
It's in the blood, it's in the blood  
I met my love, before I was born  
He wanted love, I taste the blood  
He bit my lip, and drank my warmth  
From years before  
From (1)\_\_\_\_\_ before  
She (2)\_\_\_\_\_ the (3)\_\_\_\_\_ lace  
I barely dreamt her, yesterday (yesterday...)  
With the lines in the mirror  
Through the lipstick trace...  
She (4)\_\_\_\_\_ "It seems you're somewhere, far away..."

To his place"  
It's in the blood, it's in the blood  
I met my love, (5)\_\_\_\_\_ I was born  
She (6)\_\_\_\_\_ love, I taste the blood  
She bit my lip, and drank my warmth  
From (7)\_\_\_\_\_ before  
From years before  
Love like winter (Oh oh...)  
Love like winter, winter... 3...4...  
It's in the blood, it's in the blood  
I met my love, before I was born  
He wanted love, I (8)\_\_\_\_\_ the blood  
He bit my lip, and drank my warmth  
From years before  
From years before

Answer

1. years
2. attails
3. mirror
4. said
5. before
6. wanted
7. years
8. taste
