

## Fill in the gaps

Yeah	Unshaken
Yo	Let down and lived and let go
You were that	So you can let it be known
Foundation	I don't hold back I hold my own
Never gonna be another one, no	I can't be mapped
I followed	I can't be cloned
So taken	I can't c-flat
So conditioned I (1) never let go	It ain't my tone
Then sorrow	I can't fall back I (18) too far
Then sickness	Hold myself up and love my scars
Then the (2) it	Let the bells (19) (20)
on me	(21) are
So hollow	'Cause I was (22) saying
So vicious	In (23) promises broken
So (5) I couldn't let (6) see	Deep below
That I (7) be held	Each word (24) lost in the echo
Back or up no	So one last lie
I (9) myself	I can see through
Check the rep	This time I finally let you go
Yep you (10) mine well	No
Forget the rest	You can tell 'em all now
Let them know my hell	I don't back up
There and back	I don't back down
Yet my soul ain't sell	I don't fold up and I don't bow
Kept respect up	I don't roll over
The (11) they fell	Don't know how
Let the rest be the tale they tell	I don't (25) where the enemies are
That I was there saying	Can't be stopped all I know go hard
In these (12) broken	Won't (26) how I got this far
Deep below	For every time saying
Each word gets (13) in the echo	In these promises broken
So one last lie	Deep below
I can see through	Each word gets lost in the echo
This time I finally let you	So one last lie
Go	I can see through
Go	This (27) I finally let you
Go	Go
Test my will	Go
Test my heart	Go
Let me (14) you how the odds gonna stack up	Go
Ya'll go hard	
<b>v</b>	Go
I go smart  How's that working out for y'all in the back, buh?	Go
How's that working out for y'all in the back, huh?	Go
l've (15) (16) frustration	
Been (17) and lost and told no	
And I've come back
