

Fill in the gaps

I dili	rum your (o) (9) you
Little bit of loneliness	(10) do
A little bit of disregard	Face away and pretend (11) I'm not
A (1) of complaints	But I'll be here
But I can't help the fact	'Cause you're all I got
That everyone can see these scars	I can't feel
I am, what I (2) you to want	The way I did before
What I want you to feel	Don't turn your back on me
But it's like	I won't be ignored
No matter what I do	Time won't heal
I can't convince you	This (12) anymore
To just (3) this is real	Don't turn (13) back on me
So I let go	I won't be ignored
Watching you	Now, hear me out now
Turn your back like you always do	You're (14) listen to me
Face away and pretend that I'm not	Like it or not right now
But I'll be here	Hear me out now
'Cause you're all I got	You're gonna listen to me
I can't feel	Like it or not right now
The way I did before	I can't feel
Don't turn (4) (5) on me	The way I did before
I won't be ignored	Don't turn your (15) on me
Time won't heal	I won't be ignored
This damage anymore	I can't feel
Don't turn your back on me	The way I did before
I won't be ignored	Don't turn (16) back on me
I am, a little bit insecure	I won't be ignored
A little unconfident	Time won't heal
'Cause you don't understand	This (17) anymore
I do what I can	Don't (18) back on me
But sometimes I don't make sense	I won't be ignored
I am, (6) you never (7) to say	I can't feel
But I've never had a doubt	Don't turn (20) back on me
It's like no matter what I do	I won't be ignored
I can't convince you	Time won't heal
For once just to hear me out	Don't (21) back on me
So I let go	I won't be ignored
Watching you
