Something in here's not (1)	today	So you know that when it's time to sink or swim
Why am I so uptight today?		That the face inside is watching you too
Paranoia's all I got left		Right inside your skin
I don't know what stressed me first		It's like I'm, paranoid lookin' over my back
Or how the pressure was fed		It's like a, whirlwind inside of my head
But I know just what it feels like		It's like I, can't stop what I'm hearing within
To have a voice in the back of my head		It's like the (5) inside is (6) ber
It's like a face that I hold inside		my skin
A face that awakes when I close my eyes		It's like I'm, paranoid lookin' over my back
A face watches every time I lie		It's (7) a, whirlwind inside of my head
A face that laughs every time I fall		It's like I, can't stop what I'm hearing within
(And watches everything)		It's like the face inside is right beneath my skin
So I know that when it's time to sink or swim		(The face inside is right beneath my skin)
That the face inside is hearing me		(The face inside is right beneath my skin)
Right beneath my skin		(The face inside is right beneath my skin)
It's like I'm, paranoid lookin' over my back		The sun goes down
It's like a, (2) insi	de of my head	I feel the light betray me
It's like I, can't stop what I'm hearing within		The sun goes down
It's like the face inside is right beneath my skin		I feel the light betray me
I know I've got a face in me		It's like I'm, paranoid lookin' over my back
Points out all the mistakes to me		It's like a, whirlwind inside of my head
You've got a face on the inside too and		It's like I, can't stop what I'm hearing within
Your paranoia's probably worse		It's like the face inside is right beneath my skin
I don't know what set me off first		It's like I'm, (8) lookin' over my back
But I know what I can't stand		It's like a, whirlwind inside of my head
Everybody acts like the fact of the matter is		It's like I, can't stop what I'm hearing within
I can't add up to what you can		It's like I, can't stop (9) I'm hearing within
But everybody has a face that they (3)_	inside	It's like I, can't stop what I'm hearing within
A face that awakes when they close (4) eyes		It's like the (10) inside is right beneath my skin
A face watches every time they lie		
A face that laughs every time they fall
