

## Fill in the gaps

Why does it feel like night today?	(And watches everything)
Something in here's not right today	So you know that when it's (14) to sink or swim
Why am I so (1) today?	That the face inside is (15) you too
Paranoia's all I got left	Right inside your skin
I don't know what stressed me first	It's like I'm, paranoid lookin' (16) my back
Or how the pressure was fed	It's like a, whirlwind inside of my head
But I know just (2) it feels like	It's (17) I, can't stop what I'm hearing within
To have a voice in the back of my head	It's like the (18) inside is right beneath my skin
It's like a face that I hold inside	It's like I'm, paranoid lookin' (19) my back
A face that awakes when I close my eyes	It's like a, whirlwind inside of my head
A face watches every time I lie	It's like I, can't stop what I'm hearing within
A face (3) laughs every time I fall	It's like the face inside is (20) beneath my skin
(And watches everything)	(The face inside is right beneath my skin)
So I know that when it's (4) to sink or swim	(The face inside is right beneath my skin)
That the face inside is hearing me	(The face inside is right beneath my skin)
Right beneath my skin	The sun goes down
It's like I'm, paranoid lookin' over my back	I feel the light betray me
It's like a, whirlwind inside of my head	The sun goes down
It's like I, can't stop what I'm hearing within	I feel the light (21) me
It's like the face (5) is right beneath my skin	It's (22) I'm, (23) lookin' ove
I know I've got a (6) in me	my back
Points out all the mistakes to me	It's like a, whirlwind inside of my head
You've got a face on the inside too and	It's like I, can't stop what I'm hearing within
Your paranoia's (7) worse	It's like the face inside is right beneath my skin
I don't (8) what set me off first	It's like I'm, paranoid lookin' over my back
But I know (9) I can't stand	It's like a, whirlwind inside of my head
Everybody acts like the (10) of the matter is	It's like I, can't stop what I'm hearing within
I can't add up to (11) you can	It's like I, can't (24) what I'm hearing within
But everybody has a face that (12) hold inside	It's like I, can't stop what I'm hearing within
A face (13) awakes when they close their eyes	It's (25) the face (26) is righ
A face watches every time they lie	beneath my skin
A face that laughs every time they fall
