

## Fill in the gaps

When you were standing in the wake of devastation		You build up hope but failure's all you've known		
When you were waiting on the edge of the unknown		Remember all the sadness and frustration		
And with the cataclysm (1) down		And let it go		
Insides crying, save me now		Let it go		
You were there, impossibly alone		Let it go		
Do you (2) (3) and (4)	in	Let it go		
desperation		Let it go		
You build up hope but (5)	all	Let it go		
you've known		Do you feel (8)	and (9)	in desperation
Remember all the sadness and frustration		You build up hope but failure's all you've known		
And let it go		Remember all the sadness and frustration		
Let it go		And let it go		
And in a burst of light (6) (7)		Let it go		
every angel				
As if the sky had blown the heavens into stars				
You felt the gravity of tempered grace				
Falling into empty space				
No one there to catch you in their arms				
Do you feel cold and lost in desperation
