Keep The Lights On by Close Your Eyes

Everything that I despise	That holds me in the dark
Consumes me when I (1)_____ my eyes	That holds me in the dark
I don't know if I can change the way I feel	I hope you can hear me
Despite the light that you have shone	I'll keep singing this song
The dark has become what I know	Even if there's no air left
And I am fighting to find my way out of it	And dirt fills up these lungs
I am trying so hard to forget	Please keep the lights on
This constant (2)_____ feeling that (3)_____	I am trying to make it home
inside my chest	The sun is sinking
The fear in me always drags me down	But I won't go down with it
The guilt I feel will not let me get up again	Please keep the lights on
I'm crushed by the weight	I am trying to make it home
I was younger then, careless and innocent	The sun is sinking
I (4)_____ thought my words could mean so much	But I won't go down with it
But I am older now, I should be screaming out	The sun is sinking
So why is it that I (5)_____ my mouth shut?	The sun is sinking
Why do I try so (6)_____ to forget	The sun is sinking
The (7)_____ that is in your hands	I won't go (8)_____ (9)_____ it
And the mercy in your words?	
You are calling me to seek you and find rest	
And leave behind the emptiness
