Planetary (GO!) by My Chemical I
There might be something outside your window
But you'll just never know
There could be something right past the turnpike gates
But you'll just never know
If my velocity starts to make you sweat
Then just don't let go
And if their heaven ain't got a vacancy
Then we just, then we just

I won't be waiting for you
I can't stop now
Because I'm dancing
This planet's (1) to defend
Ain't got no time to pretend
Don't **** around
This is our last chance
If my velocity starts to make you sweat
Then just don't let go
'Cause the emergency room got no vacancy

And we just, and we just, and we just
