Fill in the gaps

Planetary (GO!) by My Chemical Romance

There might be something outside your window
But you'll just never know
There could be something right past the turnpike gates
But you'll just never know
If my velocity starts to make you sweat
Then just don't let go
And if their heaven ain't got a vacancy
Then we just, then we just, then we just
Then we just get up and go
Ladies and gentlemen
Truth is now acceptable
Fame is now injectable
Process the progress
This (1) is critical
Faith is unavailable
Lives (2) incredible
Now, please understand that
can't slow down
I won't be waiting for you
can't stop now
Because I'm dancing
This planet's ours to defend
Ain't got no time to pretend
Don't **** around
This is our last chance
If my velocity starts to make you sweat
Then just don't let go
Cause the emergency room got no vacancy
And we just, and we just, and we just

And we just get up and go!

(Who) they (3) you to be
(Who) they (4) to see
(Go) kill the party with me
And never go home
(Who) they want you to be
(Who) they wanted to see
Just leave the party with me
And never go home
You're unbelievable
(Ah) so unbelievable
(Ah) you ruin everything
(Oh) you (5) go home
I'm unbelievable
Yeah, I'm undefeatable
Yeah, let's ruin everything
Blast it to the back row
They sell presentable
Young, and so ingestible
Sterile and collectible
Safe, and I can't stand it
This is a letter my word
Is the berretta
The sound of my vendetta
Against the (6) who planned it
If my velocity starts to make you sweat
Then just don't let go
'Cause the emergency room got no vacancy
Tell me who do you trust, do you trust

And we just

Get up and go!

(Who) they want you to be
(Who) they wanted to see
(Go) kill the party (7) me
And never go home
(Who) they want to be
(Who) they wanted to see
Just leave the party with me
And never go home
You keep eternity
Give us the radio
Deploy the battery
We're taking back control
Engage the energy
Light up the effigy
No chance to take it slow
By now I'm sure you know
Know, know, know, know
Get up and go!
(Who) they want you to be
(Who) they wanted to see
(Go) kill the party with me
And never go home
(Who) they want to be
(Who) they wanted to see
Just (8) the party with me
And never go home
Are we still having fun?
Are you holding the gun?

Take the money and run

I've got nothing to lose		ľve	got	nothing	to	lose
--------------------------	--	-----	-----	---------	----	------

You've got nothing to say

And we're leaving today

We'll never go home

I think I'm better go now

I think I'm better go now

I think I'm better go now (go home)

I think I'm gonna go now
