The Ghost Of You by My Chemical Romance

I never said I'd lie and wait forever	Never coming home
If I died, we'd be together	Never (11) home
I can't always (1) forget her	Could I? (12) I?
But she could try	And all the (13) (14) are
At the end of the world	(15) gonna (16) me
Or the last thing I see	For all the ghosts that are (17) (18)
You are	catch me
Never coming home	If I fall
Never coming home	If I (19) (down)
Could I? (2) I?	
And all the things (3) you never ever (4)	At the end of the world
me	Or the last thing I see
And all the smiles that are (5) ever	You are
Ever	Never coming home
Get the (6) that you're never	Never coming home
All alone and I remember now	Never coming home
At the top of my lungs in my arms she dies	Never coming home
She dies	And all the things that you never ever (20) me
At the end of the world	And all the smiles that are ever (21) haunt me
Or the (7) (8) I see	Never coming home
You are	Never (22) home
Never coming home	Could I? (23) I?
Never coming home	And all the (24) (25) are ever
Could I? Should I?	gonna scar me
And all the (9) that you never ever told me	For all the ghosts that are (26) gonna
And all the (10) that are ever gonna haunt me
