Something That You Said by The Bangles

Everything in a (1) starting where	Never so far you can't call me back
Something you said is hanging in the air	I'm never more than a single kiss away
Now I know my life is sweetening	And I feel so real
Changing everything	And it feels so right
Something that you said	Something that you said
Turned me from the inside out	Turned me (6) the inside out
Running (2) my head	Running through my head
Something I have dreamed about	Something I had dreamed about
And I feel so real	And I feel so real
And it feels so right	And it feels so right
Showing you every weakness	Something that you said
And feeling strong for it	Turned me from the inside out
I used to run (3) real love	Lying in my bed
Now I long for it	Whispering your name out loud
Now I know what I've (4) missing	And I feel so real
Since I've been listening	And it feels so right
Something that you said	Something that you said
Turned me from the inside out	Turned me from the inside out
Lying in my bed	Running (7) my head
Whispering your name out loud	Something I had dreamed about
And I feel so real	And it feels so real
And it feels so right	And it feels so right
Something that you said	Something (8) you (9)
