SUB inglés

Do you know what I mean?

Fill in the gaps

Nine In The Afternoon by Panic! At The Disco

Back to the street where we began	Back to the place
Feeling as good as lovers can, you know	Where we (11) to say
Yeah, we're feeling so good	Man, it feels good to feel (12) way
Picking up things we shouldn't read	Now I know what I mean
It (1) (2) the end of history as we	Back to the street, back to the place
know	Back to the (13) it all began
It's just the end of the world	Back to the (15) where it all began
Back to the street (3) we began	'Cause it's (16) in the afternoon
Feeling as good as love, you could, you can	Your eyes are the (17) of the moon
Into a place, (4) (5) can	You could 'cause you can, so you do
bloom	We're feeling so good
Into a room where it's nine in the afternoon	Just the way that we do
And we know that it could be	When it's nine in the afternoon
And we (6) that it should	Your eyes are the size of the moon
And you (7) that you feel it too	You (18) 'cause you can, so you do
'Cause it's (8) in the afternoon	We're feeling so good
Your (9) are the (10) of the moon	Just the way that we do
You could 'cause you can, so you do	When it's (19) in the afternoon
We're feeling so good	Your eyes are the size of the moon
Just the way that we do	You (20) 'cause you can, so you do
When it's nine in the afternoon	We're feeling so good
Your eyes are the size of the moon	Just the way (21) we do
You could 'cause you can, so you do	When it's nine in the afternoon
We're feeling so good	
Back to the street	
Down to our feet	
Losing the feeling of feeling unique	

1. looks

- 2. like
