New Perspective by Panic! At The Disco

I feel the salty waves coming		And I'll admire you (3)	taste
I feel them crash against my skin		Who cares (4)	_ intervention
And I smile as I respire		I wanna be praised from a new perspective	
Because I know they'll never win		But leaving now could be a	(5) idea
There's a haze above my TV		So catch me up I'm (6) out of here	
That changes everything I see		Catch me up I'm getting out of here	
And maybe if I continue watching		More than the point I need to show	
I'll lose the traits that worry me		How (7) I can come and go	
Can we fast-forward to go down on me		Other plans fell through	
Stop there and let me correct it		And put a heavy load on you	
I wanna (1)	_ the life from a new perspective	I know there's no more that need be said	
You come along because I love your face		When I'm inching through your bed	
And I will admire your expensive taste		Take a look around instead and watch me go	
Who cares divine intervention		Stop there and let me correct it	
I wanna be praised from a new perspective		I (8) live the life from a new perspective	
But leaving now coul	d be good idea	You come along because I (9) your face	
So catch me up I'm getting out of here		And I'll admire (10) expensive taste

Knowing everything it's fine		It's not fair just let me perfect it	
I would wait and watch the hours fall		Don't wanna live the the life that is comprehensive	
In a hundred separate lines		'Cause see it clear could be a bad idea	
But I regain repose and wonder		Now catch me up I'm getting of here
