

Fill in the gaps

Move! and show me what you can do	And show me (15) you can do
When you step into the circle and shake (1) we do	When you (16) into the circle and shake like we do
And (2) when you just can't take it and	And move! When you just can't (17) it and
Move! If you just feel like breaking it	Move! If you just feel like (18) it
Can you hear me? stop	Move! And show me what you can do
Look, listen to my voice	When you (19) into the (20) and
It was never my choice to feel all alone	shake like we do
This is my (3) back up	And move! When you (21) can't take it and
You don't know if you've (4) been here	Move! If you just feel (22) breaking it
You've never been to the place inside	I come crashing to the floor
I (5) my (6) it takes everything I am	And I know there must be more (23) me
Move! And (7) me what you can do	I've seen this all before
When you step into the circle and shake like we do	I can't carry this anymore
And move! When you just can't take it and	Break free
Move! If you just feel like (8) it	So breath, and leave
Move! And show me what you can do	Until the (24) is over
When you step into the circle and shake like we do	'Cause underneath
And move! (9) you just can't (10) it and	There's a diamond passin over
Move! If you just feel like breaking it	So breath, let's leave
Come near me, stop	Until the storm is over
Look, listen to my voice	Because I want to take you away
If you're (11) the choice	Move! And show me what you can do
Tell all the girls and the boys	When you step into the circle and shake like we do
Either (12) or rejoice	And move! When you (25) can't (26) it
Let's make (13) noise	and
Either move or we will all be destroyed	Move! If you just feel like breaking it
Back up and let go, if you've (14) been here	Move! And show me what you can do
You've never been to the place inside	When you step into the circle and shake like we do
I face my fears, it takes everything I am	And move! When you (27) can't take it and
If you just move!	Move! If you just feel like breaking it
