

We're out of control

## Fill in the gaps

This is the time		If we're straight can we hear nature's call
We waited too long		When we fail nature speaks to us all
And I'm wondering		This is the time
Where I belong		So what's the (4) to be
We (1) lost		Just a luxury
We're out of control		A (5) sing?
When we fail nature speaks to us all		But what have we got
This is the time		When is gone away?
I'll tell you why		We need to come to see
The world's left alone		What the (6) should be
Now's the time		A sanctuary free
To make right what's wrong		All that we sacrified
We have lost		In the end has it's price
We're out of control		A renewed paradise still alive
If we're straight can we hear nature's call		In (7) eyes
When we fail nature speaks to us all		This is the time
This is the time		So what's the world to be
So what's the world to be		Just a luxury
Just a luxury		A temporary sing?
A temporary sing?		But what have we got
But what have we got		When is gone away?
When is gone away?		We need to come to see
We need to come to see		What the earth should be
What the earth should be		A sanctuary free
A sanctuary free		All that we sacrificed
A (2) (3)	still alive	In the end has it's price
This is the time		A renewed paradise still alive
The sky and the sea		In (8) eyes
We speak the paragons		Still (9) in your eyes
We planted to seed		
We have lost
