## SUB ingles

I say, now watch what you say
Or they'll be calling you a radical

## Fill in the gaps

## The Logical Song (Live) by Roger Hodgson

When I was young	A liberal
It seemed (1) life was so wonderful	(Oh) fanatical, criminal
A miracle	(Oh) won't you sign up your name?
(Oh) it was beautiful, magical	We'd like to feel you're acceptable
And all the birds in the trees	Respectable
Well, they'd be singing so happily	(Oh) presentable, a vegetable
(Oh) joyfully	(Whoa) take it, take it, take it (yeah)
(Oh) playfully watching me	But at night when all the world's asleep
But (2) sent me away	The questions run so deep
To (4) me how to be sensible	For such a simple man
Logical	Won't you please
(Oh) responsible, practical	Please (6) me what we've learned?
And then they showed me a world	I (7) it (8) absurd
Where I could be so dependable	But please tell me who I am
(Oh) clinical	Who I am (come one)
(Oh) intellectual, cynical	Who I am
There are times when all the world's asleep	Who I am (yeah)
The questions run too deep	
For such a (5) man	'Cause I'm (9) so logical
Won't you please	
Please tell me what we've learned?	(Oh) it's getting unbelievable
I know it sounds absurd	
Please tell me who I am	

- 1. that
- 2. then
- 3. they
- 4. teach
- 5. simple
- 6. tell
- 7. know
- 8. sounds
- 9. feeling
