Fill in the gaps

Hello me, meet the real me	I'm in trouble for the things
And my misfits way of life	I haven't got to yet
A dark (1) past is my	I'm (18) the axe
Most (2) possession	And my palms are getting wet
Hindsight is always 20-20	Sweating bullets
But (3) it's (5)	Well, me, it's nice talking to myself
a bit fuzzy	A (19) to dementia
Speak of mutually assured destruction?	Some day you too (20) know my pain
Nice story, tell it to Reader's Digest!	And smile its black tooth grin
Feeling paranoid	If the war inside my head
True (6) or false friend?	Won't take a day off I'll be dead
Anxiety's (7) me	My icy (21) (22) (23)
And my air is (8) thin	back
I'm in trouble for the things	Here I come again
I haven't got to yet	Feeling paranoid
I'm (9) at the bit	True enemy or false friend?
And my palms are getting wet	Anxiety's attacking me
Sweating bullets	And my air is getting thin
Hello me, it's me again	Once you committed me
You can subdue, but never tame me	Now you've acquitted me
It gives me a migraine headache	Claiming validity
Thinking (10) to your level	For (24) stupidity
Yeah, just keep on (11) it's my fault	I'm chomping at the bit
And stay an (12) or two outta	I'm sharpening the axe
(13) distance	Here I come again
Mankind has got to know	(Whoa)
His limitations	Sweating bullets
Feeling claustrophobic	
Like the walls are (14) in	
Blood (15) on my hands	
And I don't (16) (17) I've been
