

## Fill in the gaps

I (1) where you went
But I don't know how you got there
I know where you went
But I don't know how you got there
Silver tongue hill
Where you talk up (2) I'd play down
I would speak up
But I wouldn't (3) to say
Lucidity, come back to me
Put all five senses back to
Where they're meant to be
(Oh) it's hard to tell, it breaks down
There is a will, there is a way
There is a min, there is a may
Wondering around like (5) time never knew it
•
Wondering around like (5) time never knew it
Wondering around like (5) time never knew it  I might suck fizzle or I might just (6) away
Wondering around like (5) time never knew it  I might suck fizzle or I might just (6) away  And we'll go (7) off tonight
Wondering around like (5) time never knew it  I might suck fizzle or I might just (6) away  And we'll go (7) off tonight  High above
Wondering around like (5) time never knew it  I might suck fizzle or I might just (6) away  And we'll go (7) off tonight  High above  Where we won't even need to reach
Wondering around like (5) time never knew it  I might suck fizzle or I might just (6) away  And we'll go (7) off tonight  High above  Where we won't even need to reach  The sky my love
Wondering around like (5) time never knew it  I might suck fizzle or I might just (6) away  And we'll go (7) off tonight  High above  Where we won't even need to reach  The sky my love  (Oh) there will be a change in the air
Wondering around like (5) time never knew it  I might suck fizzle or I might just (6) away  And we'll go (7) off tonight  High above  Where we won't even need to reach  The sky my love  (Oh) there will be a change in the air  Nobody (8) be anybody else
