Fill in the gaps

Not The American Average by Asking Alexandria

1, 2, 3, 4	You stupid ****** *****
Come on baby	And after all of all my dreaming (6) only you
Keep it down, honey hush your lips	You're standing there baby
Clothes trailing from the backdoor	(Oh) the things (7) I could do
To the bedroom	Back to the wall with a drink in my hand
And I don't even know (1) name	Back it up, (8) ride, ride, ride
Give me all you've got	
Make this night worth my time	One step too late
Make this worth my time	And I never told you (never told you)
(Oh) what I would give to live this night again	That I can't take another disappointment
I knew when I (2) saw you	Breathing and grasping
You'd **** like a *****	All leads to another messy ending
You'd **** like a *****	Breathing and grasping
I can hear you scream for more	All (9) to another messy ending
Your thighs (3) made for cheeks to graze	(Dead end)
My lips, your poison	With your (10) against the wall
They bring you down to your knees	With your face buried in the pillow
Your thighs (4) made for cheeks to graze	I see you cold, I feel you heartless
My lips, your poison	****, you stupid ******
They bring you (5) to your knees	You stupid ****** ****
(Oh, come on)	****** ****
Girl get down	
It's almost over	
Take it all the way (oh)
