Come on baby

Keep it down, honey hush your lips

Clothes trailing from the backdoor

To the bedroom

And I don't even know your name

Give me all you've got

Make this night worth my time

Make this (1)_____ my time

(Oh) what I would give to live (2)_____ night again

I knew (3)_____ I first saw you

My lips, your poison

They (4)_____ you down to your knees

It's almost over

Take it all the way (oh)

...

You stupid ***** *****

And after all of all my dreaming (7)_____ only you

You're standing there baby

(Oh) the things that I could do

Back to the wall with a drink in my hand

Back it up, baby ride, ride, ride...

...

One step too late

And I never told you (never told you)

That I can't take another disappointment

Breathing and grasping

All leads to another (8)_____ ending

Breathing and grasping

All leads to (9)_____ messy ending

(Dead end)

With your back against the wall
