Take it all the way (oh)

Fill in the gaps

Not The American Average by Asking Alexandria

1, 2, 3, 4	You stupid ****** *****
Come on baby	And after all of all my dreaming being only you
Keep it down, (1) hush your lips	You're standing there baby
Clothes trailing (2) the backdoor	(Oh) the things that I could do
To the bedroom	Back to the wall with a (7) in my hand
And I don't even know (3) name	Back it up, baby ride, ride, ride
Give me all you've got	
Make this night worth my time	One step too late
Make this worth my time	And I never told you (never told you)
(Oh) what I would give to live (4) (5)	That I can't (8) (9)
again	disappointment
I knew when I first saw you	Breathing and grasping
You'd (6) like a *****	All (10) to another messy ending
You'd **** like a *****	Breathing and grasping
I can hear you scream for more	All leads to another messy ending
Your thighs were made for cheeks to graze	(Dead end)
My lips, your poison	With your back against the wall
They bring you down to your knees	With your face buried in the pillow
Your thighs were made for cheeks to graze	I see you cold, I feel you heartless
My lips, your poison	*****, you stupid ******
They bring you down to your knees	You stupid ****** ****
(Oh, come on)	***** ****
Girl get down
