

Fill in the gaps

Sucker love is (1)	sent	Every me and every you	
You pucker up, our passion's spent		Every me	
My hearts a tart, your body's ren		Every me and every you	
My body's broken, (2)	_ is bent	Every me	
Carve your name into my arm		Like the naked leads the blind	
Instead of stressed, I lie here charmed		I know I'm selfish, I'm unkind	
'Cause there's nothing else to do		Sucker love I always find	
Every me and every you		Someone to (7)	and leave behind
Sucker love, a box I choose		All alone in space and time	
No other box I choose to use		There's nothing here but what here's mine	
Another love I would abuse		Something borrowed, something blue	
No circumstances could excuse		Every me and every you	
In the shape of things to come		Every me and every you	
Too much poison come undone		Every me	
'Cause there's nothing (3) to do		Every me and every you	
Every me and every you		Every me	
Every me and (4) yo	ou	Every me and (8)	you
Every me		Every me	
Sucker love is known to swing		Every me and every you	
Prone to cling and waste these things		Every me	
Pucker up for heavens sake		Every me and (9)	you
There's never been so much at stake		Every me	
I serve my head up on a plate		Every me and every you	
It's only comfort, (5)	late	Every me	
'Cause there's nothing else to do			
Every me and (6) yo	ou
