## The Suburbs (Live) by Arcade Fire

In the suburbs I	Sometimes I can't believe it
I (1) to drive	I'm moving past the feeling, into the night
And you told me we'd (2) survive	So can you understand
Grab your mother's keys, we are leaving	Why I (14) a (15) while I'm
You (3) so sure	still young?
That one day we'd be fighting	I want to hold her hand
In a suburban war	And show her some (16) before
Your part of (5) against me	All this (17) is done
I saw you standing on the opposite shore	But if it's too much to ask, if it's too much to ask
But by the time the (6) bombs fell	Then send me a son
We (7) already bored	Under the overpass
We were already, already bored	In the parking lot we're (18) waiting
Sometimes I can't believe it	It's already past
I'm (8) past the feeling	So move your feet from hot pavement
Sometimes I can't believe it	And into the grass
I'm (9) the feeling again	'Cause it's (19) past
The kids want to be so hard	It's already, (20) past
But in my (11) we're (12)	Sometimes I can't (21) it
screaming	I'm moving (22) the feeling
And running through the yard	Sometimes I can't believe it
When all of the walls that they built	I'm moving (23) the feeling again
In the 70's finally fall	I'm (24) past the feeling
And all of the houses they built	I'm moving past the feeling
In the 70's finally fall	In my (25) we're (26) screaming
Meant (13) at all?	We're still screaming
It meant nothing at all, it meant nothing	We're still screaming
Sometimes I can't believe it	
I'm moving past the feeling
