Fill in the gaps

Called Out In The Dark by Snow Patrol

		You and I were left with the streets		
It's like we just can't help ourselves		Show me now, (5	5)	me the arms aloft
'Cause we don't (1) how to back down		Every eye trained on a different star		
We were called out to the streets		This magic		
We (2) called into the towns		This drunken semaphore		
And how the heavens, they opened up		And I		
Like arms of dazzling gold		We are listening and		
With our rain washed histories		We're not blind		
Well they do not need to be told		This is your life		
Show me now, show me the arms aloft		This is your time		
Every eye trained on a (3)	star	We are (6)		and
This magic		We're not blind		
This drunken semaphore		This is your life		
And I		This is your time		
We are listening and		We are (7)		and
We're not blind		We're not blind		
This is your life		This is your life		
This is your time		This is your time		
We are listening and		We are listening and		
We're not blind		We're not blind		
This is your life		This is (8)	life	
This is your time		This is your time		
I was called out in the dark				
By a (4) of beautiful sheet				
And as the kids took back the parks
