Fill in the gaps

Called Out In The Dark by Snow Patrol

•••	You and I were left (4) the streets
It's like we just can't help ourselves	Show me now, (5) me the (6) alof
'Cause we don't know how to back down	Every eye trained on a (7) star
We were called out to the streets	This magic
We were called into the towns	This drunken semaphore
And how the heavens, they opened up	And I
Like arms of dazzling gold	We are (8) and
With our rain washed histories	We're not blind
Well they do not need to be told	This is your life
Show me now, show me the arms aloft	This is your time
Every eye trained on a different star	We are listening and
This magic	We're not blind
This drunken semaphore	This is (9) life
And I	This is your time
We are (1) and	We are (10) and
We're not blind	We're not blind
This is your life	This is your life
This is (2) time	This is your time
We are listening and	We are listening and
We're not blind	We're not blind
This is your life	This is your life
This is (3) time	This is your time
I was called out in the dark	
By a choir of beautiful sheet	
And as the kids took back the parks
