

Fill in the gaps

I've got a suitcase in my hand	Scary thoughts and frightening sounds
Filled with stuff most precious to me	In my mind still I try avoid it
Sidewalk brings my feet	Heading through this hope not one-way alley
Wherever they're headed.	I can't really sense my surroundings
There is no directions given	Seems to be all dark around.
Just (1) trust in human mind to (2) on	Nothing there, to (7) up my way.
And to hold on to.	Honestly don't know where I'll end up at last
Honestly don't know where I'll end up at last	Won't even count the days.
Won't even count the days.	One thing I sure know I won't move so fast.
One thing I sure know I won't move so fast	My mind is complete haze.
My mind in (3) haze.	I pass by
I pass by	Don't dare to stop
Don't dare to stop	When there's someone I see
When there's someone I see	There's no one here but me
There's no one here but me	I'm (8) by something inside my head
I'm fooled by something inside my head.	If I lay down now
If I lay (4) now	I might seem (9) dead
I (5) kinda dead	
Just keep on wasting time.
