The Kids We Used To Be... by Your Demise

So this is the song

I write for (1)_____ who I never forgot

The (2)_____ we used to be are all dead

Gone and forgotten

Black eyed boys and bright eyed girls

Friday night love

And Saturday (3)_____ regrets

Summers came and went

But the love never left...

But the love never left...

So let's bring back the best years...

Nights spent hanging out

Not giving a ****

Being down on our luck

Some people say that best friends (4)_____ same

I'll prove you wrong

Sticks and stones never (5)_____ our bones

Standing (6)_____ our homes

Watching the sun come up

5:00 am never (7)_____ so beautiful

And feeling

Beaten and jaded

Never (8)_____ so ***** good

I can't wait for (9)_____ to come around

So let's bring back the best years

Nights spent hanging out

Not giving a ****

Being down on our luck

Some people say that best friends stay same

I'll prove you wrong

I know I can still hear the singing

From the basement

And I know you can too

The smoke still rises

I know I can still hear the singing

From the basement

And I know you can too

The smoke still rises

I know I can still hear the singing

From the basement

And I know you can too

The smoke still rises

So let's bring back the best years

Nights spent hanging out

Not giving a ****

Being down on our luck

Some people say that best (10)_____ stay same

I'll prove you wrong

So let's bring back the best years

Nights spent hanging out

Not giving a ****

Being down on our luck

Some people say that best friends stay same

I'll prove you wrong...

I'll prove you wrong...
