

Can you hear, that box bre-brea-breaking

Fill in the gaps

Laserlight by Jessie J & David Guetta

In the (1) of a night	And the (14) starts sha-sha-shaking
I was (2) from the sky	They keep talking, talking, talking
In the blur, you took my breath away	But we're walking, walking, to the light
And my heart starts beating	Tonight, tonight
And my (3) (4) breathing	You're (15) a laserlight, burning up
And the voice in my head starts screaming	Burning down, on me
I'm alive!	You're (16) a laserlight, burning up
You're (5) a laserlight, (6) up	Burning down, on me
Burning down, on me	You make me feel good
You're like a laserlight, burning up	You (17) me feel safe
Burning down, on me	You (18) me feel like I could (19)
You (7) me feel good	(20) day
You make me feel safe	You make me feel good
You make me (8) like I could (9)	You make me (21) safe
(10) day	You (22) I wouldn't have it any (23)
You make me feel good	way
You make me (11) safe	(Oh, oh, ohplease don't stop)
You (12) I wouldn't (13) it any other	(Oh, oh, ohI won't stop)
way	(Oh, oh, ohwe won't stop)
(D-D-D-David G)	In the (24) of a night
(Je-Je-Je-Jessie J)	I was falling from the sky
You and me, face to face	In the blur, you took my breath away
And there's so much I could say	
On these words, and forever seem the silence
