

Fill in the gaps

Once again I leave my grave	Do you hear a voice like velvet through the night sky?
Dirt and daisies hit the pave	Do you hear the fickle (6) of fate at my side?
No sooner than I have turned	And all those that God has (7) with hope in
I hear the devil cooking up a new storm	his stride
My world ends on a regular basis	And watch out (watch out!)
Yeah I fed quick and lonesome places	Watch for them camouflaged and crouched in the shadows
But no sooner (1) I am dead	Oh they couldn't hold a candle up to you
I feel the ravens (2) at my hair	But they stand as tall as you in broad daylight too
Oh! Hark!	Oh! Hark!
Do you hear a voice like velvet through the night sky?	
Do you hear the fickle hand of fate at my side?	Oh! Hark!
And all those that God has sinned with (3) in his	Do you a hear a voice (8) velvet through the nigh
stride	sky?
And watch out (watch out!)	Do you hear the fickle hand of fate at my side?
Watch for them camouflaged and crouched in the shadows	And all those that God has (9) with hope in
Oh they couldn't hold a candle up to you	his stride
But they stand as tall as you in broad daylight too	
Oh! Hark!	And watch out (watch out!)
	Watch for them camouflaged and crouched in the shadows
Once again I leave my grave (leave my grave)	Oh they couldn't hold a candle up to you
Like a bird out of its cage (out of its cage)	But they (10) as tall as you in broad daylight too
No sooner that I have won	Oh! Hark!
I feel the storm (4) plotting	Oh! Hark!
(5) the sun	
Plotting against the sun, plotting against the sun	
Oh! Hark!	

- 1. that
