

## Fill in the gaps

One more kiss (1) be the best thing	I'm (16) between this (17) I
Or one more lie could be the worst	(18) and where I stand
And all these (2) are never resting	You love me but you don't know who I am
And you're not something I deserve	So let me go, just let me go
In my head there's only you now	Let me go
This (3) falls on me	And no (19) how hard I try
In (4) (5) there's real and make	I can't escape (20) things inside
believe	I know, I know
This seems real to me	But all the pieces fall apart
You love me but you don't know who I am	You (21) be the (22) one who knows
l'm torn (6) (7) life l	who knows
(8) and where I stand	You love me but you don't (23) who I am
You love me but you don't (9) who I am	I'm (24) between this life I lead and
So let me go	(25) I stand
Let me go	And you love me but you don't know who I am
I dream we head to what I hope for	So let me go, just let me go
And I (10) my back on loving you	You love me but you don't
How can this (11) be a good thing	You love me but you don't
And I (12) what I'm going through	You love me but you don't know who I am
In my head there's only you now	You love me but you don't
This (13) falls on me	You love me but you don't
In this world there's real and make believe	You love me but you don't know me
And (14) seems real to me	
And you (15) me, but you don't know who I am
