

## Fill in the gaps

One more kiss could be the best thing		
Or one more lie could be the worst		
And all (1) thoughts are never resting		
And you're not something I deserve		
In my head there's only you now		
This world falls on me		
In this world there's real and make believe		
This seems real to me		
You love me but you don't know who I am		
I'm torn between this life I lead and where I stand		
You (2) me but you don't know who I am		
So let me go		
Let me go		
I dream we head to what I hope for		
And I turn my back on loving you		
How can (3) (4) be a good thing		
And I know (5) I'm (6) through		
In my head there's only you now		
This world falls on me		
In this world there's real and make believe		
And this seems real to me		
And you love me, but you don't know who I am		

I'm torn (7)	this life I lead and where I stand	
You love me but you don't kno	w who I am	
So let me go, just let me go		
Let me go		
And no matter how (8)	I try	
I can't escape these things inside		
I know, I know		
But all the pieces fall apart		
You will be the only one who k	nows, who knows	
You love me but you don't kno	w who I am	
I'm torn between this life I lead	and where I stand	
And you love me but you don't	know who I am	
So let me go, just let me go		
You love me but you don't		
You love me but you don't		
You love me but you don't kno	w who I am	
You love me but you don't		
You love me but you don't		
You love me but you don't (9).	me
