I'm Not A Vampire by Falling In Reverse

	(Hi, Ronnie!)
Well I'm not a vampire	Daddy should've never raised me on (14)
But I feel (1) one	Sabbath!
Sometimes I sleep all day	I'm insane
Because I hate the sunlight	Well, I can feel it in my bones
My hands are (2) shaking	Coursing through my veins
Body's always aching	When did I become so cold?
And the dark is when I feed	For (15) sake
Well I can (3) any (4) (5) I	Where is my (16) control?
(6) to	If home is where my heart is
In my bed with me	Then my heart has (17) all hope
And whiskey seems to be my holy water	God (18) all of you now
Mothers better (7) (8) doors	'Cause I'm (19) straight to hell
And hide your daughters	And I'm taking you (20) (21) me
I'm insane	'Cause you know damn well
Well, I can feel it in my bones	I'm insane
Coursing (9) my veins	Well, I can feel it in my bones
When did I become so cold?	Coursing through my veins
For (10) sake	When did I (22) so cold?
Where is my self-control?	I'm insane
If (11) is where my heart is	Well, I can feel it in my bones
Then my (12) has lost all hope	Coursing through my veins
Well I'm not a zombie	When did I become so cold?
But I feel like one today	For goodness sake
Self-induced comatose, chemical daze	Where is my self control?
My head is always spinning	If (23) is (24) my heart is
From (13) dizzy, blurry vision	Then my heart has lost all hope
And my stomach has had enough	All hope
I feel like a lady	All hope
That is pregnant with a baby	
Cause I'm always throwing up
