When You Were Around by Lene Marlin

(1) those times,		Haven't neard from you,
I miss those days		I guess that means
When you were around,		That I'm no good no more,
in so (2) ways		that's what it seems
And it felt so safe,		And I, was (4) patiently,
and I was glad.		But you (5) came
But now something's changed,		I (6) it now, won't ever be the same again
That makes me sad		Won't (7) be the same again
And I, was waiting patiently,		You see, I gave up waiting - for you to care
But you never came		You're not there,
I (3)	it now, won't ever be the same again	and I wonder if you (8) were
Won't ever be the same again		And I, was waiting patiently,
If you're doing fine,		But you never came
I don't know		I realize it now, won't ever be the same again
You see, I gave up calling		Won't ever be the same again
long time ago
