When You Were Around by Lene Marlin

I (1) those times,	Haven't heard from you,
I miss those days	I guess (6) means
When you were around,	That I'm no good no more,
in so many ways	that's (7) it seems
And it felt so safe,	And I, was (8) patiently,
and I was glad.	But you never came
But now something's changed,	I (9) it now, won't ever be the same again
That (2) me sad	Won't ever be the same again
And I, was waiting patiently,	You see, I gave up waiting - for you to care
But you (3) came	You're not there,
I realize it now, won't ever be the same again	and I wonder if you ever were
Won't ever be the same again	And I, was (10) patiently,
If you're (4) fine,	But you never came
I don't know	I realize it now, won't ever be the same again
You see, I (5) up calling	Won't ever be the same again
