Fill in the gaps

When You Were Around by Lene Marlin

I miss (1) times,	Haven't heard (7) you,
I miss those days	I guess that means
When you (2) around,	That I'm no good no more,
in so (3) ways	that's what it seems
And it (4) so safe,	And I, was waiting patiently,
and I was glad.	But you never came
But now something's changed,	I realize it now, won't ever be the same again
That makes me sad	Won't ever be the same again
And I, was waiting patiently,	You see, I (8) up waiting - for you to care
But you never came	You're not there,
I (5) it now, won't ever be the same again	and I wonder if you ever were
Won't ever be the same again	And I, was (9) patiently,
If you're doing fine,	But you never came
I don't know	I realize it now, won't ever be the same again
You see, I gave up calling	Won't ever be the same again
