

Fill in the gaps

You Can't Save Me by Richie Kotzen

But I (15)_____ on (16)____ fate

I sold my soul	I'm (17) but user
Just so I could feel paid	And none abuser
I (1) my heart	You don't wanna know what's on my mind
So I couldn't (2) pain	I'm (18) but a fool
I lost my faith	But I'm not fooling
'Cause I can't (3) the wait	I'm not afraid of (19) fool out of myself
I've got no hope	**** your money
That's only for (4) and fakes	**** your fame
I'm nothing but user	**** my life I'll walk away
And none abuser	**** our love
You don't wanna know what's on my mind	**** I'm sorry for anything I've ever done
I (5) I'm just a fool	You can't save me
But I'm not fooling	You better keep yourself to someone else
I'm not afraid of (6) fool out of myself	Faded, I'm just fallin' (20) my condition
**** (7) money	Failed, you better put you time in something else
**** your fame	Save me, but don't worry about it now
**** my life I'll (8) away	Better (21) (22) ****** self
**** our love	Try just a little, understand what I'm telling you
**** I'm sorry for anything I've ever done	I'm not what you think
You can't (9) me	Start it off
You better keep yourself to (10) else	Do the right thing
Fading, I'm just falling (11) my condition	Life got in the way
Faded, you better put your (12) in something else	You don't know what to say
Save me, but don't worry about it now	I'm not asking why
Better save (13) ****** self	You can't save me
I lost my mind	You better give yourself to (23) else
Just so I (14) escape	Fading, fallin' into my condition
I still got time	Faded, you better spend (24) in
But I know, is too late	something else
I still got friends	Save me, but don't (26) about it now
To tell me I'm ok	Better save your ****** self
I still alive
