I'd like to close my eyes, go numb
But there's a cold (1) coming from
The top of the highest high-rise today
It's not a breeze 'cause it (2) hard
Yes and it wants me to discard
The humanity I know
Watch the warmth blow away
So don't let the world
Bring you down
Not everyone here
Is (3) ***** up and cold
Remember why you came
And while you're alive
Experience the warmth
Before you grow old
So do you think I (4) adhere
To that pressing new frontier?
And (5) in my wake a trail of fear?
Or should I hold my (6) up high
And throw a wrench in spokes by
Leaving the air behind me clear?
So don't let the world

Bring you down
Not everyone here
Is (7) ***** up and cold
Remember why you came
And while you're alive
Experience the warmth
Before you grow
So don't let the world
Bring you down
Not (8) here
Is that ***** up and cold
Remember why you came
And (9) you're alive
Experience the warmth
Before you grow old
Before you (10) old
Where did it go?
