## The Sound Of Violence by Cassius

| I (1) like a (2) be inside of     | you      | As long as I'm (14) be               |      |
|-----------------------------------|----------|--------------------------------------|------|
| When the sun (3) (4) (yeah)       |          | Around you                           |      |
| All my heart                      |          | When the sun goes down (yeah)        |      |
| Taking me (5) to blue             |          | Feel like I (15) be                  |      |
| I've fallen into my own senses    |          | You more than I                      |      |
| Another night                     |          | Get around, come around (yeah)       |      |
| Another day                       |          | See you (16) night                   |      |
| It's better this way              |          | Hear the crowd                       |      |
| Let the music play                |          | Sound of violence                    |      |
| All my heart                      |          | Shake it out                         |      |
| Only you can know how I feel      |          | I feel like a wanna be inside of you |      |
| Every day is an ordeal            |          | Ready now                            |      |
| To get by                         |          | Going to let it all out              |      |
| Melancholy                        |          | Ready now                            |      |
| Ever so                           |          | When the sun goes down               |      |
| Broken skin                       |          | We'll be coming out                  |      |
| Mercury rising                    |          | Ready or not                         |      |
| Feel like a (6) be (7)            | of you   | Going to let it out                  |      |
| When the sun (8) down             |          | When the sun (17) down               |      |
| Feel (9) a wanna be inside of you |          | Ready now                            |      |
| When the sun (10) down (yeah)     |          | Going to let it all out              |      |
| All my heart                      |          | Ready now                            |      |
| There's (11) across the tracks    |          | When the sun goes down               |      |
| Hoping to played it back          |          | We'll be coming out                  |      |
| All right                         |          | Ready or not                         |      |
| Lucky me                          |          | Going to let it out                  |      |
| Lucky you                         |          | When the sun goes down               |      |
| They're giving us                 |          | Ready now                            |      |
| A two minute warning              |          | Going to let it all out              |      |
| All my heart                      |          | Ready now                            |      |
| Changing the way I kill           |          | When the sun goes down               |      |
| By changing the way I feel        |          | We'll be (18) out                    |      |
| Step forward                      |          | Ready or not                         |      |
| Everybody                         |          | Going to let it out                  |      |
| Around the world understands      |          | When the sun (19) or                 | า me |
| What makes a child of man         |          | On me                                |      |
| Yes come <sub>i</sub>             |          | When the sun goes (21) on me         |      |
| Feel (12) a wanna be (13)         | _ of you |                                      |      |
|                                   |          |                                      |      |
