Dog Days Are Over by Florence + The Machine

Happiness hit her like a train on a track	Happiness hit her like a (6) in the back
Coming (1) her	Struck from a great height
Stuck still no turning back	By (7) who (8)
She hid around corners and she hid under beds	(9) better than that
She killed it (2) kisses and from it she fled	The dog days are over
With (3) bubble she sank with her drink	The dog days are done
And washed it away (4) the kitchen sink	Can you hear the horses?
The dog days are over	'Cause here they come
The dog days are done	Run fast for your mother
The horses are coming	Run fast for your father
So you better run	Run for (10) children
Run fast for your mother	For your sisters and brothers
Run fast for your father	Leave all your love and your longing behind
Run for your children	You can't carry it with you if you want to survive
For your sisters and brothers	The dog days are over
Leave all your love and (5) longing behind	The dog days are done
You can't carry it with you if you want to survive	Can you hear the horses?
The dog days are over	'Cause here they come
The dog days are done	The dog days are over
Can you hear the horses?	The dog days are done
'Cause here they come	The horses are coming
And I never wanted anything from you	So you better run
