

And what was left after that too (oh)

Fill in the gaps

Dog Days Are Over by Florence + The Machine

Happiness hit her like a train on a track	Happiness hit her like a bullet in the back
Coming towards her	Struck from a (14) height
Stuck still no turning back	By (15) who should know
She hid around corners and she hid (1) beds	(16) than that
She killed it with kisses and (2) it she fled	The dog (17) are over
With every bubble she sank with her drink	The dog (18) are done
And washed it (3) down the kitchen sink	Can you hear the horses?
The dog days are over	'Cause (19) (20) come
The dog days are done	Run (21) for your mother
The horses are coming	Run fast for your father
So you better run	Run for your children
Run (4) for (5) mother	For your sisters and brothers
Run (6) for (7) father	Leave all your love and your longing behind
Run for your children	You can't (22) it with you if you want to survive
For your sisters and brothers	The dog (23) are over
Leave all your (8) and (9) longing	The dog days are done
behind	Can you (24) the horses?
You can't (10) it (11) you if you want	'Cause (25) they come
to survive	The dog days are over
The dog (12) are over	The dog days are done
The dog (13) are done	The (26) are coming
Can you hear the horses?	So you better run
'Cause here they come	
And I never wanted anything from you	
Except everything you had
