Dog Days Are Over by Florence + The Machine

Happiness hit her like a train on a track		Happiness hit her (8) a (9)	in the
Coming towards her		back	
Stuck still no turning back		Struck from a great height	
She hid around corners and she hid under beds		By someone who should know better than that	
She killed it with kisses and from it she fled		The dog days are over	
With every bubble she sank with her drink		The dog days are done	
And washed it away down the (1)	sink	Can you hear the horses?	
The dog days are over		'Cause here they come	
The dog days are done		Run fast for your mother	
The horses are coming		Run fast for your father	
So you (2) run		Run for your children	
Run (3) for your mother		For your sisters and brothers	
Run fast for your father		Leave all your love and your longing behind	
Run for (4) children		You can't carry it with you if you want to survive	
For your sisters and brothers		The dog days are over	
Leave all your love and your (5)	behind	The dog days are done	
You can't carry it with you if you want to survive		Can you hear the horses?	
The dog days are over		'Cause here they come	
The dog (6) are done		The dog days are over	
Can you (7) the horses?		The dog days are done	
'Cause here they come		The (10) are coming	
And I never wanted anything from you		So you better run
