Spectrum (Say My Name) by Florence + The Machine

When we first came here

With no colours on our skin
We (1)_____ light and paper thin
And when we first (2)_____ here
We (3)_____ cold and we were clear
With no colours on our skin
Till we let the spectrum in
Say my name
And every color illuminates
We are shining
And we will never be afraid again
Say my name
And every color illuminates
We are shining
And we will (4)_____ be afraid again
Say my name
And every color illuminates
We are shining
And we will never be afraid again
And (5)_____ we come for you
We'll be dressed up all in blue
With the ocean in our arms

And when it's time to pray
We'll be dressed up all in grey
With metal on our (6)_____ and silver in our
lungs
Say my name

And every (7)_____ illuminates
We are shining
And we will never be afraid again
Say my name
And every color illuminates
We are shining
And we will never be afraid again
Say my name
And every color illuminates
We are shining
And we will (8)_____ be afraid again
Say my name
And every color illuminates
And we are shining
And we will never be afraid again
Say my name
As every color illuminates

As every color illuminates
We are shining
