Rabbit Heart (Raise it Up) by Florence + The Machine

The looking glass, so shiny and new	Who is the lamb and who is the knife?
How quickly the glamour fades	Midas is king and he (6) me so tight
I start spinning, (1) out of time	And turns me to gold in the sunlight
Was that the wrong pill to take? (Raise it up)	Raise it up, raise it up
You made a deal	Raise it up, raise it up
And now it seems you have to offer up	And in the spring I shed my skin
(Raise it up, raise it up)	And it blows away with the changing wind
Here I am, a rabbit hearted girl	The waters turn from blue to red
Frozen in the headlights	As towards the sky I offer it
It seems I've made the final sacrifice	This is a gift, it comes with a price
We raise it up	Who is the lamb and who is the knife?
This is a gift, it comes with a price	Midas is king and he holds me so tight
Who is the lamb and who is the knife?	And (7) me to gold in the sunlight
Midas is king and he holds me so tight	This is a gift, it comes with a price
And turns me to gold in the sunlight	Who is the lamb and who is the knife?
I (2) around, but I can't find you (raise it up)	Midas is king and he holds me so tight
If only I could see your face (raise it up)	And turns me to gold in the sunlight
Instead of rushing (3) the skyline (raise it	This is a gift, it comes with a price
up)	Who is the lamb and who is the knife?
I wish that I (4) just be brave	Midas is (8) and he holds me so tight
I must become a lion (5) girl	And turns me to gold in the sunlight
Ready for a fight	This is a gift
Before I make the final sacrifice	
We raise it up
